

Latest Updates and Information

By Scott Serani

April 2014

In our last meeting on Saturday March 15th, we started off with a ground school class given by Brandon Leeper and John Elliott on weather and how it affects us in aviation – great class guys!

Following the ground school class, presentations were made by our Vice President candidates followed by a vote of the Aviators to elect John Elliott and Ashley Sharpe as Vice Presidents for this coming year. The two of them will now assist Brandon with YA duties for the year. Congratulations to both John and Ashley.

It was then off to the hangar to begin clean-up efforts on the gyrocopter.

OUR NEXT FORMAL MEETING(s):

April 5th 11:00a - 2:00p

Meet at the McEwen hangar for project work on the Gyrocopter, Kid-EZ and B25.

April 19th 11:00a - 2:00p

Meet at the McEwen hangar for a Ground School presentation by Destiney and Ashley followed by project work on the Gyrocopter, Kid-EZ and B25.
