Please share some additional information:

YOUNG AVIATOR

What area(s) of aviation interest you?

What other activities are you involved in?

What do you hope to gain from becoming a Young Aviator?

As a Young Aviator, you will need to attend regular meetings, keep a journal of your experiences, volunteer at events where the YA's are displaying projects, and write articles about field trips you participate in for the website (and send a thank you note to our hosts).

PARENT(S)

How did you learn about us? _____

Is there anything you would like us to know about your Young Aviator?

Please let us know what areas of a youth group you are most interested in volunteering for. (carpool, fund raising, areas of expertise that may be beneficial in future projects, etc.)

As the parent of a Young Aviator, we hope you will support the group with your time and talents. We would love to see your child flourish and ask you to support them with their journals, commitment, participation, and writings. We know that parent volunteers are the foundation of successful youth groups.

Welcome!
